## **Surprise**

So you thought we were over Surprize, Surprize We're not going anywhere So you fell On your sword again Tell me what the views like Deep down inside your carpet You were straight You were straight Now you're twisted You're right, you're right Burn the joint and leave the way you came

Don't you turn, turn out you're lights Surprize, surprize Still not satisfied

We all preyed, we all preyed You'd rise again From the hard shoulder What the doctor ordered Gotta fix, gotta fix What's not broken All broke, all broke and busted Pay twenty-one and over

Don't you turn, turn out your lights Surprize, surprize Still not satisfied Don't you turn Your day into night Surprize, surprize Still not satisfied
