

Unforgettable Night

Jamestown Story

I'm speechless, so impressed, I've forgotten all my pain
Your presence, in essence, makes it go away
Please take the seat next to me...
You're just a stranger to me, but somehow you've changed how I think
You saved me from my past, with just a harmless dance...
Sedated, I hate it, too afraid to make a move
You're so friendly, the night's ending, I still haven't made a move
Please can I see you again, I don't want this night to end...
Falling from, your heart-
shaped noose, that my dull teeth, helped cut me through
Falling fast, into your arms, the night's so cold, the air's so warm...
