

# Fascinating Rhythm

Jamie Cullum

Got a little rhythm, a rhythm a rhythm  
That pitter pats through my brain  
So darn persistent, the day isn't distant  
When it'll drive me insane

Comes in the morning  
Without any warning  
And hangs around all day  
I have to sneak up to it, some day I'll speak up to it  
And hope it listens when I say

Fascinating rhythm  
You got me on the go  
Fascinating Rhythm, I'm all a quiver  
What a mess you're making,  
The neighbors want to know  
Why I'm always shaking,  
Just like my grandmother.

Each morning I get up with the sun  
To find at night no work has been done  
I know that once it didn't matter,  
But now you doing wrong  
When you start to patter, I'm so unhappy.  
Won't you take a day off,  
Decide to run along  
Somewhere far away off  
And make it snappy.

Oh how I long to be  
The man I used to be,  
Fascinating Rhythm  
Why don't you stop picking on me.
