

So Good To Feel Real

Jamiroquai

Ah ah, ah ah, ah ah

(Feel so good)

Ah ah, ah ah, ah ah

(Feel so good)

Ah ah, ah ah, ah ah

(Feel so good)

Ah ah

I woke up today by the sound of singing birds

And my lips were glazed with these simple inspiration words

You know it feels so good to be real, yeah yeah

You know it feels so good just feel, yeah yeah

La la la la la la la, yeah

La la

La la la la la la, yeah

(Ah)

Feel so good

Feel so good

Ah, feel so good

Well, I heard the word, something's going down

And I feel like a bird in the sky, in the sky

You know I feel so good, just feel this real
