

I May Not Be Around

Jandek

Da da da da da da
Da da da da da da
Fire in the hole
Count me once
Count me twice
You better not count me three times
You better just wait and see
I may not be around for long
I'm takin' the next train or plane
To right
To wrong
To right
To wrong
I'm gonna to be a
while you're missing me with me
You're gonna miss me oh lord
I know you're missing me
But I'm, I'm nowhere at all
