

# I Will Survive

Jane Siberry

At first I was afraid, I was petrified  
Kept thinkin' I could never live without you by my side  
But then I spent so many nights  
Thinkin' how you did me wrong and I grew strong  
And I learned how to get along

So now you're back from outer space  
I just walked in to find you here with that sad look upon your face  
I should have changed that stupid lock  
I should have made you leave your key  
If I'd've known for just one second you'd be back to bother me

Go on now go, walk out the door  
Just turn around now  
( 'Cause)  
You're not welcome anymore

Weren't you the one who tried to hurt me with goodbye?  
Did you think I'd crumble? Did you think I'd lay down and die?  
Oh no, not I, I will survive  
Oh, as long as I know how to love  
I know I'll stay alive

I've got all my life to live  
I've got all my love to give  
I will survive, I will survive  
Hey, hey
