

Lovin' Cup

Jane Siberry

Every mornin' when I wake up
I wonder which cup I will take up
Kiss me, again

Monday, Wednesday
Friday, Sunday

I am your lovin' cup
Come on and fill me up

Cup of wonder, cup of light
Cup of royal beauty bright

I am your lovin' cup
Come on and fill me up

I am your lovin' cup
Come on and fill me up

I am your lovin' cup
Come on and fill me up

Every night before I sleep
I wonder which cup I will keep
