## Lovin' Cup

## Jane Siberry

Every mornin' when I wake up I wonder which cup I will take up Kiss me, again

Monday, Wednesday Friday, Sunday

I am your lovin' cup Come on and fill me up

Cup of wonder, cup of light Cup of royal beauty bright

I am your lovin' cup Come on and fill me up

I am your lovin' cup Come on and fill me up

I am your lovin' cup Come on and fill me up

Every night before I sleep I wonder which cup I will keep
