

Creatures Of The Night

Janet Devlin

The creatures of the night
Me, myself and I
And all that comes to life
The creatures of the night
The creatures of the night
The creatures of the night

In the darkness
I can see it all
See it all
See it all

In the darkness
I can see it all
The creatures of the night

Howling at the moon
As it creeps in the twilight
Daylight comes too soon
For the creatures of the night

The creatures of the night
The creatures of the

In the darkness
I can see it all
See it all
See it all

In the darkness
I can see it all
The creatures of the night
The creatures of the night
The creatures of the

I don't mind being alone
I don't need you to hold me down
I found a home in the stars
Just as long as they don't burn out
They won't burn out, for you

The creatures of the night
The creatures of the night
The creatures of the night
The creatures of the night
The creatures of the night
The creatures of the night
The creatures of the night
The creatures of the night

In the darkness
I can see it all
See it all
See it all

In the darkness
I can see it all

The creatures of the night
