Fix You

Janet Devlin

When you try your best, but you don't succeed When you get what you want, but not what you need When you feel so tired, but you can't sleep Stuck in reverse

Lights will guide you home And ignite your bones And I will try to fix you

And high up above or down below When you're too in love to let it go But if you never try you'll never know Just what you're worth

Lights will guide you home And ignite your bones And I will try to fix you And I will try to fix you
