

Well there's something to...  
Are you recording?  
There's something to be said for not saying anything  
I've talked about racism, spousal abuse, empowering women, children  
I've talked about a lot of things  
What do I talk about this time?  
I've covered a lot in my 20 years  
And I've uncovered a lot in my 20 years  
But I wanna keep it light  
I don't wanna be serious  
I wanna have fun  
I know  
I don't know  
That's what I do know
