

# Go Deep

Janet Jackson

[CHORUS: (2x)]

We go deep  
And we don't get no sleep  
Cause we be up all night  
Until the early light

I'm feelin fine cuz I'm dyin to be out tonight  
I'm startin out makin sure I look fine tonight

Call Rene and Boo  
Gotta meet them soon  
Tell T to call Shawn  
I'll be there at 1

When we show up  
All the guys at the club  
Tryin get our backs  
We look good in black

[CHORUS (2x)]

I'm feelin high cuz I'm outta control tonight  
(feelin high don't wanna stop)  
He's got me movin DJ groovin and I feel way right  
(groovin I don't wanna stop)

Ooh I'm gettin freaked from behind  
I don't even mind  
Cuz he's lookin damn fine  
I'll make him mine in time

Gotta take him home  
When I get him all alone  
I'll make him scream and moan  
He won't wanna stop

[CHORUS (4x)]

I'm feelin high tonight  
Outta control tonight  
I'm feelin high tonight  
I feel high

[CHORUS (8x)]

We go deep
