

# I Get Lonely

Janet Jackson

R: I get so lone - ly.  
Can't let just anybody hold me.  
You are the one  
That lives in me my dear.  
Want no one but you.  
I get so lone - ly.  
Can't let just anybody hold me  
You are the one  
That lives in me my dear.  
Want no one but...

1. Sittin' here with my tears,  
All alone with my fears.  
I'm wonderin' if I have to do  
Without ya.  
But there's no reason  
Why I fell asleep late last night,  
Cryin' like a newborn child.  
Holdin' myself close,  
Pretendin' my arms are yours.  
I want no one but you.

R: I get so...

2. I still remember to the day  
In fact it was a 3rd Monday  
You came along  
To be the one for me.  
Now I'm alone.  
Sittin' here by the phone.  
Call and say that you're ok  
So that I'll have  
The chance to beg you to stay.  
I want no one but you.

R: I get so... (2x)

Gonna break it down,  
Break it down, break it down.  
Gonna break it down,  
Break it down, break it down.  
Uh ah.  
You know that I know  
That I get so lonely thinking of you  
Uh no no

R: I get so...
