

# It All Comes Down to Love

Janet Jackson

Truly  
It all comes down to love  
Honestly  
It all comes down to love  
Undeniably  
It all comes back to you  
Sincerely  
It all comes down to love  
Unforgettably  
It all comes back to you  
It all comes down to love  
It all comes back to you  
It all comes down to love
