

# Love Will Never Do (Without You)

Janet Jackson

Our friends think we're opposites  
Falling in and out of love  
They all said we'd never last  
Still we manage to stay together  
There's no easy explanation for it  
But whenever there's a problem  
We always work it out somehow  
Work it out somehow

They said it wouldn't last  
We had to prove them wrong  
Cause I've learned in the past  
That love will never do without you

Other guys have tried before  
To replace you as my lover  
Never did I have a doubt  
Boy it's you I can't do without  
I feel better when I have you near me  
Cause no other love around  
Has quite the same ooh ooh (ha ha ha!)  
Like you do do do do babe

They said it wouldn't last  
We had to prove them wrong  
Cause I've learned in the past  
That love will never do without you
