Janet Jackson

[Missy Elliott:]  
Tell me how long is it boo?  
Seven inches  
Yup that'll do (C'mon)  
Want another lover  
Not another lover (lover)  
Cause you the type of brother  
I get freaky undercover (yeah)  
Let me be the one for ya playa  
Let's see what's behind  
Them Gucci underwears  
What I gotta do baby  
What I gotta say? (Say)  
To the bedroom  
Okay, kay, kay (okay)

[Janet:]  
Tell me what I gotta say?  
Tell me what I gotta do?  
Cuz I'm about to make a move  
Cuz baby I just want to be the one  
Tell me how you want it babe  
Maybe we could spend the day there  
Let me know what's the place  
Baby I just want to be the one

I don't need another  
I could spend my life  
Being your lover  
Think about it take some time  
Put your eyes together  
We can make this thing right  
Cuz I don't want no other  
I just wanna be the one

Really wanna uh  
Really wanna uh uh  
Really wanna uh  
Really wanna uh uh  
Really wanna uh  
Really wanna uh

The one for you

Let me know  
What you're missing boy  
So I can be the one  
There for you  
Talkin' bout  
Being all you want  
Baby  
I just wanna be the one

After you meet me stipulations  
We'll have a mystic investigation  
Put the list down no replacing ya

Cuz baby I just wanna be the one

I don't need another  
I could spend my life  
Being your lover  
Think about it take some time  
Put your eyes together  
We can make this thing right  
Cuz I don't want no other  
I just wanna be the one

Really wanna uh  
Really wanna uh uh

Tell your ex-girlfriend

But I'm like a loose goose  
We can shoot dooby doo  
Letcha hit the poo poo  
Do what it do

What I thought you knew  
And we could have a threesome  
Bring a cute friend too

Look in the mirror check it  
And your no betta

When we're together
