

Coma Complacency

Japandroids

Hey! Hey! Hey!
Heeeeey!
Hey! Hey! Hey!
Hey hey hey!
[x2]

The future used to be so bright
We used to only sleep at night
The warm blanket of TV
Coma complacency

We slept in
We can't wake up
We slept in
We can't wake up

Hey! Hey! Hey!
Heeeeey!
Hey! Hey! Hey!
Hey hey hey!
[x2]

The future used to be so bright
We used to only sleep at night
The warm blanket of TV
Coma complacency

We slept in
We can't wake up
We slept in
We can't wake up
