

## Sick

Jarren Benton

Yeah, Sick of pain, I'm sick of losing, sick of boozing  
Sick of pussy ass niggas, man I'm sick of music  
Sick of radio gypping us out of air times  
Sick of this fucking barber thats bringing back my hair line  
Sick of niggas saying "J you need a sicker single,  
You know, something for the club, with a catchy jingle"  
Sick of skinny jeans, I'm sipping promethazine  
I throw this molotov cocktail at your limousine  
Sick of being broke, sick of rappers saying "if I weren't rappi  
ng I'd probably be out selling coke"  
Sick of republicans hating on Obama  
Yet I'm sick of Obama, Sick of fucking your momma nigga  
Sick of jerkin off, sick of ramen noodles  
This is fight back music, get your moms approval  
Hear that beautiful nerve is biting my cuticle  
Body these fucking rappers and have a seat at their funeral  
Sick of MTV not playing videos  
Sick of niggas getting on with bullshit material  
I'm sick of hating on niggas thats getting on by the time I'm d  
one writing I'm fucking sick of this song  
I'm sick of flicking this needle inside my palm  
To get me that quick fix I stick the shit in my arm  
I'm a bomb getting ready to detonate got my hand on a razor bla  
de and I'm coming right for your face  
I'm sick of worrying, sick of stressing, sick of bill collector  
s saying "we're sending you to collection"  
Jarren Benton, Sicker than infection, sick of being lost with n  
o direction  
Sick of fucking hoes with no protection, sick as Riggs on letha  
l weapon  
Damien, eat em up for breakfast evil presence, non milli mac te  
n mac eleven  
Pack a weapon crack his melon faggots yellin tattletellin  
You niggas pussy as Ellen  
I'm illy, still at it, naw nigga I'm Ill matic  
Fiend of a microphones I'm a real addict  
Sick of trippin, brains missing, stick the clip in, fuck this s  
hit nigga I'm sick of living.
