

I Need You

Jars of Clay

Strangely out of place, and there's a light filling this room w
here none would follow before.

I can't deny it burns me up inside.

I fan the flames to melt away my pride.

Do I want shelter from the rain or the rain to wash me away?

I need you, I need you, I need you.

I need you, I need you, I need you.

You're all I'm living for.

I might sound like a fool, but I think I felt you moving closer
to me.

Face to the ground to hide the fatal cut.

I fight the weight, I feel you lift me up.

You are the shelter from the rain and the rain to wash me away.

I need you, I need you, I need you.

I need you, I need you, I need you.

You're all I'm living for.

I need you, I need you, I need you.

You're all I'm living for.

Face to the ground to hide the fatal cut.

I fight the weight, feel you lift me up.

I can't deny it burns me up inside.

I fan the flames to melt away my pride.

I only had a second to spare, but all the time in the world to
know you're there.

You are the shelter from the rain and the rain to wash me away.

I need you, I need you, I need you.

You're all I'm living for.

I need you, I need you, I need you.

You're all I'm living for.

I need you, I need you, I need you.

You're all I'm living for.
