

# Worlds Apart

## Jars of Clay

I am the only one to blame for this  
Somehow it all ends up the same  
Soaring on the wings of selfish pride  
I flew too high and like Icharus I collide

With a world I try so hard to leave behind  
To rid myself of all but love, to give and die

To turn away and not become  
Another nail to pierce the skin of one who loves  
More deeply than the oceans, more abundant than the tears  
Of a world embracing every heartache

Can I be the one to sacrifice  
Or grip the spear and watch the blood and water flow

(To love you)

Take my world a - part  
(To need you)

I am on my knees  
(To love you)

Take my world a - part  
(To need you)

Broken on my knees

All said and done I stand alone  
Amongst remains of a life I should not own  
It takes all I am to believe  
In the mercy that covers me

Did you really have to die for me  
All I am for all you are because what I need  
And what I believe are worlds apart  
And I pray

On my knees

I look beyond the empty cross  
Forgetting what my life has cost  
I wipe away the crimson stains  
And all the nails that still remain  
More and more I need you now  
I owe you more each passing hour  
The battle between grace and pride  
I gave up not so long ago  
So steal my heart and take the pain  
And wash the feet and cleanse my pride  
Take the selfish, take the weak  
And all the things I cannot hide  
Take the beauty, take my tears  
My sinful soiled heart, make it pure

Take my world, it all is yours  
Take it now, take it now

To serve the ones that I despise (To love you)  
Speak the words I can't deny  
Take my world a - part  
(To need you)  
And watch the world I used to know  
Fall to dust and blow away  
I am on my knees  
(To love you)  
I look beyond the empty cross  
Forgetting what my life has cost  
Take my world a - part  
(To need you)  
So wipe away the crimson stains  
And all the nails that still remain  
Broken on my knees  
(To need you)

And steal my heart and take the pain  
And take the selfish, take the weak  
And all the things I cannot hide (To need you)  
Take the beauty, take my tears  
Take my world apart  
On my knees  
(To need you)  
Take my world apart  
And I do pray (To need you)  
And I pray, and I pray

Take my world apart  
On my knees  
My worlds apart
