

Givin' Up

Jason Derülo

I'm givin' up yeah
I'm givin' up yeah
I'm givin' up searching, searching, searching to find
Finally found the one, that's you

It turns me on when I wake up.
Your wearing my shirt no make up.
Your singing real loud when we make love. Wooowooohooo!
The only one I tell all my problems, one smile, no-one to solve em'.
Oh how your body sings, Wooowooohooo!

No matter, true say, you always sounds sexy to me.
That's when you know oh'oh oh'oh.
You know oh'oh oh'oh.
When your skin touches mine.
I just wanna love you, all night.
That's when you know oh'oh oh'oh.
You know oh'oh oh'oh.

Oh Nothing (Oh Nothing).

Nothing else matters to me.
Oh No-one (Oh No-one).
No-one makes me feel this way.

I've been searching, searching, searching to find.
Finally found the one that's you.
I've been searching, searching, searching to find.
Finally found the one. I'm through.

I'm givin' up yeah.
I'm givin' up yeah.
I'm givin' up searching, searching, searching to find.
Finally found the one. It's you.

I love it when you wanna put my chain on.
Playing in bed throw a game on.
Not watching for long cos the same song. Wooowooohooo!
Oh how you whisper, you got me.
Then you kiss every inch of my body.
Your touching every tattoo, like Wooowooohooo!

No matter, true say, you always sounds sexy to me.
That's when you know oh'oh oh'oh.
You know oh'oh oh'oh.
When your skin touches mine. I just wanna love you, all night.
That's when you know oh'oh oh'oh.
You know oh'oh oh'oh.

Oh Nothing (Oh Nothing).
Nothing else matters to me.
Oh No-one (Oh No-one).
No-one makes me feel this way.

I've been searching, searching, searching to find.
Finally found the one that's you.
I've been searching, searching, searching to find.

Finally found the one. I'm through.

I'm givin' up all those games, all my time.
Tell the world your mine.
Like, like. Woowwoohooo!
Like, like, l. Woowwoohooo!
I'm givin' up all these girls, players life.
Tell the world your mine.
Like, like. Woowwoohooo!
Like, like. Woowwoohooo!

Oh Nothing (Oh Nothing).
Nothing else matters to me.
Oh No-one (Oh No-one).
No-one makes me feel this way.

I've been searching, searching, searching to find.
Finally found the one, it's you.
I've been searching, searching, searching to find.
Finally found the one. I'm through. (X2)

I'm givin' up yeah (Ohh Yeaaaah, Ohh Yeaaaah, Ohh Yeaaaah).
