

## Wishing Weed

Jason Reeves

I picked a wishing weed  
Beneath your mother's tree  
And I asked it to  
Bring you back to me  
Then a dragonfly  
Took it to the sky  
And it rode on the wind  
Until it caught your eye

I'm never gonna get over you  
Not 'cause I can't  
Cause I don't want to  
O-o-oh, I'm gonna get you back  
If it's the only thing I do  
I'm never gonna get over you

I took the secret path  
To where I saw you last  
And a sparrow dropped  
A letter to me as it passed  
It was a simple sketch  
Of a heart in red  
And it broke me  
When I opened it  
Cause all it said was

I'm never gonna get over you  
Not 'cause I can't  
Cause I don't want to  
You know it's true  
That I'm gonna get you back  
If it's the only thing I do  
I'm never gonna get over  
Of all the lovers found  
And lost and never seen again  
You're the only one  
That's worth repeating through my head

I'm never gonna get over you  
O-ou, Not 'cause I can't  
Cause I don't want to  
You know it's true  
That I'm gonna get you back  
If it's the only thing I do  
I'm never gonna get over you  
O-oh, I'm never gonna get over you
