

Two Ships Passing

Jaya the Cat

Up on the stage where the red lights flash
Out on the dancefloor trying to relax
You know we're gonna mash it up all night long
And you know we're gonna push it till the break of dawn but

She ain't interested in me
And I ain't interested in her
She ain't interested in me
And I ain't interested in her
That's for sure

Well she's next to me but I'm miles away
And this ecstasy it keeps lying to me
Clouding my mind to the real situation
Causing me to doubt a foregone conclusion
Up at the bar for the fifth time holding
A ten euro bill trying to get my order in
Well we're all wired to the same system
Hanging on trying to make a connection

She ain't interested in me
And I ain't interested in her
She ain't interested in me
And I ain't interested in her
That's for sure

Well it's a long night but we're gonna outlast it
Ain't nothing more than two ships passing

She ain't interested in me
And I ain't interested in her
She ain't interested in me
And I ain't interested in her
That's for sure
