

All Mine

Jeanette

Your Verdict Echoes In My Mind
It Is Too Late For Us This Time
You Say You Gave All You Could Give
Now You Don't Love Me Like You Did

And Then The Sun Turns Cold
As You Walk Away
And The Sky Falls Down
With Every Word You Say
And My Frozen Heart
Cannot Find A Beat
Tell Me Why, Why You Had To Leave
When You Should Be...

Mine, Mine, Mine, Mine, Mine
Oh, You Should Be
Mine, Mine, Mine, Mine, Mine
When You Should Be
Mine, Mine, Mine, Mine, Mine
Oh You Should Me
Mine, Mine, Mine, All Mine

I Search Your Face For Something Real
Some Trace Of What You Used To Feel For Me
Don't Say The Words I Fear The Most, Please Darling
You Say That You Don't Have A Choice

And Then The Sun Turns Cold
As You Walk Away
And The Sky Falls Down
With Every Word You Say
And My Frozen Heart
Cannot Find A Beat
Tell Me Why, Why You Had To Leave
When You Should Be...

Mine, Mine, Mine, Mine, Mine
Oh, You Should Be
Mine, Mine, Mine, Mine, Mine
When You Should Be
Mine, Mine, Mine, Mine, Mine
Oh You Should Me
Mine, Mine, Mine, All Mine

This Love I'm Giving Is One Of A Kind
I'm Hoping Baby You Will See It In Time
That You Should Be
Mine, Mine, Mine, Mine, Mine
Mine, You Should Be Mine

And Then The Sun Turns Cold
As You Walk Away
And The Sky Falls Down
With Every Word You Say
And My Frozen Heart
Cannot Find A Beat
Tell Me Why, Why You Had To Leave

When You Should Be...

Mine, Mine, Mine, Mine, Mine
Oh, You Should Be
Mine, Mine, Mine, Mine, Mine
When You Should Be
Mine, Mine, Mine, Mine, Mine
Oh You Should Me
Mine, Mine, Mine, All Mine

That You Should Be Mine,
Mine, Mine, Mine, Mine
That You Should Be Mine,
Mine, Mine, Mine, Mine
