

Forever And Ever

Jeanette

I think I have lost your love
After all the harm I've done
If you could give me just one more chance, babe
I'd walk a thousand miles
For your touch and your lovely smile
I'm sorry for all I have done, babe
Hearts are broken, where do we go now?
Words - unspoken - miss you so

I promise if you come back in my life
I promise you I'll be there till the end of time
Forever and ever babe
I wanna be kissed by you, love me tender
I want it all or nothing at all, come back
Forever and ever, babe
I can't believe you'll abandon me
Love's too deep take a chance to me

They don't need to see me cry
You can't hide it with a lie
It's not too late to change your mind, babe
I keep your picture beside my bed
Still remember the words you said
Can't believe what I just gave away, babe
Hearts are broken, where do we go now?
Words - unspoken - miss you so

I promise if you come back in my life
I promise you I'll be there till the end of time
Forever and ever babe
I wanna be kissed by you, love me tender
I want it all or nothing at all, come back
Forever and ever, babe
I can't believe you'll abandon me
Love's too deep take a chance on me

I can't believe
