

Frozen Sun

Jeanette

No suggestions
misery
in my soul feelin; blue
no more questions
lost in pain
can't find my way
who i am
i'm a stranger
there in the mirror
who i am
there's no solution
only confusion
who i am

Frozen sky, frozen sun
no desire to run
in my heart; s a
frozen sun
nothing needs to be done
to be done

False affection
deep inside
in my soul
no return
no protection
break my heart
still i love you
who i am
there is no reason
there is no answer
who i am

Frozen sky, frozen sun
no desire to run
in my heart; s a
frozen sun
nothing needs to be done
to be done

Frozen sky, frozen sun
no desire to run
in my heart; s a
frozen sun
nothing needs to be done
to be done

to be done
