I have the killing gene, I have machine guns and guillotines I'm the gorilla of Philistines, I'm living the killer's dream I just let the victim kick and scream Get the blood and smithereens out with Mr. Clean Separate your figurine into different dumpsters I'm getting hungrier and I ain't getting any younger Niggas should've killed me, now the wait's longer And the A-capability made me stronger I'm a die in service, I serve a higher purpose I ain't nervous of what surfaces from wire searches Mom sits inside a church reciting Bible verses I'm entitled to idol my homicidal urges I don't prefer help, getting to the death quotients It works by itself set in perpetual motion But I remove it, there's some probability to use it Cause I might lose it, present company included

The street light is the only light to ever shine Kill devils with metal from the Beretta nine If I shine I shine heavy metal grind Must be out your fucking mind, never question mine

The street light is the only light that ever shine Kill devils with metal from the Beretta nine If I shine I shine heavy metal grind Must be out your fucking mind to ever question mine

You should never upset the man, the bullets the size of Pepsi cans I am jolly while y'all are doing the best you can Me and Jus Allah lying and the rest are lambs I am possibly atrocity in West Sudan I'm humanism, I'm through the prism of western man I'm pugilism, I'm voodooism, I bless the sand My hands are made of titanium, I could wreck a van Lazarus, I am from Damascus and I am Sham I ain't letting go until the clip is done Y'all offbeat, every word I speak hit the drum The most beautiful thing to me is a glistening gun I find y'all is entertainment while I'm sipping rum And if I ever fall on hard luck I'll put some white on the street like a salt truck Cause I ain't trying to be hungry again With these lowlife motherfucking dummies again, never again god
