Calling Sarah

I know it sounds unfair She's like a painting standing there I thank the Heavens up above For the one that I'm thinking of

Calling Sarah Crawling back to Sarah 'Cause you're the one

Sometimes it's awful hard to take The way she takes me all the way She's delicious beyond compare I'd love to tell her but instead I stare

Calling Sarah Crawling back to Sarah 'Cause you're the one

Calling Sarah Crawling back to Sarah 'Cause you're the one

And when you ask me if I really love you I can't wait to tell you And if you ever feel you don't believe me And don't you trust your feeling 'Cause it'd be so hard to take when you're away I wouldn't last one day

That's why I'm calling Sarah Crawling back to Sarah, Sarah

Calling Sarah (That's why I'm calling) Crawling next to Sarah

Calling Sarah (And when you ask me if I really missed you) (I can't wait to tell you) Crawling back to Cause you're the one
