Lay It Down

Jermaine Dupri

So So Def
Uh huh, uh huh
Uh
Ohh
You need somebody to lay it dawn
Grab you by the your hair and show you exactly where to go
Lay it down
Don't stop, movie it fast
Tap that ass, I say nigga take it slow
Lay it down
talk to ya, walk witch ya, through every single motion
lay it down
I mean all the way down, leave a playa like you wide open
Ohh
No I never had that before, so if you out here that's what I'm lookin' fo'
'Cause I keep gettin' these girls, but know
In the G I try to tell 'em what to do but they don't listen to me
I'm good on top
That's what they say
I want to do it in your drop
That's what they say
I bet I'll make you say stop
That's what they say
Ones you get 'em in the sack there won't be none of that
It be a hole lotta action away, hole lotta' action, not enough play
For this boy "J"
What I need in my life is a wife that have the house jumpin'
like the gentlemen's club on Monday night
When I come home, hunny doin' tricks
Shit, backflips, like song
Meet me at the door with the double G
Sayin' "If your free!"
You gotta drop slooow, now fast
Bounce that ass
Get up!
get cash
Like this?
Like that
Like this and uh
Throw it at me like a picture when I give it to ya
Considering your appearance, under the influence

All I'm herein' is rumors "How she can make ya hotter"
Let her tell it
Ohh
And she crazy with her mouth Peace
If you let her tell it
Was to lay you, they gonna lay you down
But I'm a gangster, G's don't get turned out
I heartbreak 'em like Jay-Z
See I dun it all
Wait
And I'm'a keep doin' it, baby that's just me
I don't cuddle in the linin', I couple up women
enough of huddlin' in the linin', they lovein' the thug up in 'em
And yea I know I'm sinin', but it feel like Heaven
All of 'em keep yellin'

No, I never had that before, oh no
I never had that, ohh
No, I never had that before (so if you out here, that's what I'm lookin' fo'
)
Ohh no, I never had that before
Oh no, I never had that, ohh
No I never had that before (so if you out here that's what I'm lookin' fo')

No, I never had that before, oh no
I never had that, ohh
No, I never had that before (so if you out here, that's what I'm lookin' fo'
)
Ohh no, I never had that before
Oh no, I never had that, ohh
