

# When The Rain Begins To Fall

Jermaine Jackson

Like the sand can seep right through your fingers  
so can all your days  
As those days go by  
you'll have me there to help you find the way  
The way I feel with you  
I know it's got to last forever

And when the rain begins to fall  
you'll ride my rainbow in the sky  
And I will catch you if you fall  
you'll never have to ask me why  
And when the rain begins to fall I'll be the sunshine in your life  
You know that we can have it all and everything will be alright.

Time goes by so fast  
You've got to have a dream  
To just hold on  
All my dreams of love began  
With the reality of you  
You and I believe  
That all our dreams will last forever

And when the rain begins to fall  
you'll ride my rainbow in the sky  
And I will catch you if you fall  
you'll never have to ask me why  
And when the rain begins to fall I'll be the sunshine in your life  
You know that we can have it all and everything will be alright

Though the sun may hide  
We still can see  
The light that shines for you and me  
We'll be together all that we can be

And when the rain begins to fall  
you'll ride my rainbow in the sky  
And I will catch you if you fall  
you'll never have to ask me why  
And when the rain begins to fall I'll be the sunshine in your life  
You know that we can have it all and everything will be alright

And when the rain begins to fall  
you'll ride my rainbow in the sky  
And I will catch you if you fall  
you'll never have to ask me why  
And when the rain begins to fall I'll be the sunshine in your life  
You know that we can have it all and everything will be alright.
