

Buzz Back Girl

Jerrod Niemann

Feels like I've been drinkin' since early in the mornin'
I ain't had a drop, but somethin's got me goin'
Hit me like a truck, naw, didn't see it comin'
I hope it don't stop, 'cause man, it's got me stumblin'

Lookin' like that, lookin' like that
You don't even know what you're doin' to me
You got my buzz back, girl, my buzz back, girl
Woke up hungover, hungover this mornin'
I called, you came over
You got my buzz back, girl, my buzz back, girl

Baby, don't you stop it, girl, just keep on rockin'
You know you got me droppin', like I just took a shot and

Looking like that, looking like that
You don't even know what you're doin' to me
You got my buzz back, girl, my buzz back, girl
Woke up hungover, hungover this mornin'
I called, you came over
You got my buzz back, girl, my buzz back, girl

Ever since the night I wrapped my arms around you
I can't live a day without you
All I think about is how I can't wait to lay you down

Lookin' like that, lookin' like that
You don't even know what you're doin' to me, girl
Lookin' like that, lookin' like that
You don't even know what you're doin' to me
Lookin' like that, lookin' like that
You don't even know what you're doin' to me
You got my buzz back, girl, my buzz back, girl
Woke up hungover, hungover this mornin'
I called, you came over
You got my buzz back, girl, my buzz back, girl
You got my buzz back, girl
Feels like I've been drinkin' since early in the morning'
