

# Love In The Afternoon

**Jerry Garcia**

Love, love in the afternoon  
Outside the window  
An organ grinder's tune

Rhythm, wine, a touch of Jamaica  
Twilight time with a Kingston lady  
All the time in the world for me and that girl

Sweet, she sang sweetly  
Come back soon  
Come back for more of that  
Love in the afternoon

Breezes blow by me in the afternoon  
She sings sweetly an organ grinder's tune

Finally recovered from last year's  
Round of bye, bye baby blues  
All I crave today, some love in the afternoon

Love, love in the afternoon  
It's easy as she goes  
Like an organ grinder's tune

Gone with the moon  
Any old trouble can't leave too soon  
Trouble's no part of what I want  
Especially in the afternoon, singing

Sleeping till two  
Waking to make more  
Love in the afternoon
