

I'd give you all my money  
If love was the currency  
If my back was up against it  
I'd swear on my property

I know you ain't the one to gamble  
I bet you you're gonna win  
Lay all your cards on the table  
Let me know if you're out or in

If you give a little time then I'll be yours (ooh)  
Just spend a little time 'cause it don't cost (ooh)

1, 2, 3, add it up  
You plus me, that's enough  
Put it all down on a good thing  
Don't you wanna know what you're missing?

1, 2, 3, add it up  
What I need ain't a lot  
Put it all down on a good thing  
Don't you wanna know what you're missing?

Put a little love on me  
A little love down on me  
Won't you put it down on me?  
Put a little lovin' down on me

If you want security  
Then baby, invest in me  
You don't need to bail me out, no  
'Cause everything I've got is there for you

If you give a little time then I'll be yours (ooh)  
Just spend a little time 'cause it don't cost (ooh)
