Jesus Culture

You guide me through the dark
You Calm My fearful heart
I will rest in you
You give me perfect peace
Fulfill my deepest need
And I will rest in you

You guide me through the dark
You Calm My fearful heart
I will rest in you
You give me perfect peace
Fulfill my deepest need
And I will rest in you

God Shining Like the sun
Let your kingdom come
I want to be with you in your presence
I'm here to give you praise
You take my breath away
And now I'm here with you in your presence

Your kindness draws me in
know I'm with once again
I will rest in you
My God who reign on high
To you alone I cry
And I will rest in you

God Shining Like the sun
Let your kingdom come
I want to be with you in your presence
I'm here to give you praise
You take my breath away
And now I'm here with you in your presence

You are shining, you are shining
Your light surrounds me, your light has found me

You are shining, you are shining
Your light surrounds me, your light has found me

You are shining, you are shining
Your light surrounds me, your light has found me

God Shining Like the sun
Let your kingdom come
I want to be with you in your presence

You take my breath away
And now I'm here with you in your presence

God Shining Like the sun
