

## Red Eyed and Rowdy

Jim Reeves

I'm gonna get red eyed and rowdy  
Gonna tell everybody howdy  
Gonna go see friends and neighbors  
Gonna do everybody favors  
Gonna get all acey deucey  
Gonna go see my sweet Lucy  
Gonna be riding my glory  
Everything'll be hunky dory  
Gonna swing high wide and handsome  
Gonna do everything and then some  
Gonna be so free and easy  
Like a big pig when he's greasy  
Wanna tell everybody howdy  
Gonna get red eyed and rowdy
