

# Somewhere Along the Line

Jim Reeves

Somewhere along the line I lost my love for you  
I can't explain just why I feel the way I do  
I only want to know what made my love grow cold  
What made me change my mind somewhere along the line

The happiness I've known no longer lives with me  
I hold a passion for the yearning to be free  
Whatever caused the change has left this mark so strange  
My eyes for love went blind somewhere along the line

Well, it might have been the night you tossed your wedding ring  
s away  
And it could have been the many little things I meant to say  
A mystery I know I can't define  
For I lost my love for you somewhere along the line

Somewhere along the line
