

One Rainy Wish

Jimi Hendrix

Golden rose, the color of the dream I had
Not too long ago
A misty blue and the lillac too
A never to grow old.

A there you were under the tree of song
Sleeping so peacefully
In your hand a flower played
A waiting there for me.

I have never
Laid eyes on you
Not like a before
This timeless day
A but you walked and ya ha
Once smiled my name
And you stole
My heart away
A stole my heart away little girl, yeah
All right !

Golden rose, the color of the dream I had
Not too long ago
Misty blue and lillac too
A never to grow old.

Golden rose, the color of the dream I had
Misty blue and lillac too
Golden rose, the color of the dream I had
Misty blue and lillac too
Gold and rose, gold and rose, gold and rose.

It's only a dream
I'd love to tell somebody about this dream
The sky was filled with a thousand stars
While the sun kissed the mountains blue
And eleven moons played across rainbows
Above me and you.
Gold and rose the color of the velvet walls surround us.
