

# No One Will Ever Know

Jimmie Rodgers

No one will ever know  
My heart is breaking  
Although a million teardrops  
Start to flow

I'll cry myself to sleep  
And wake up smiling  
I'll miss you but  
No one will ever know

I'll then we grew tired  
Tired of each other  
And realized our dreams  
Could never be

I'll even make believe  
I never loved you  
Then no one will ever know  
The truth but me

I'll then we grew tired  
Tired of each other  
(So tired, so tired)  
And realized our dreams  
Could never be  
(Never, never be)

I'll even make believe  
I never loved you  
Then no one will ever know  
The truth but me

No one will ever know  
The truth but me
