Money

Jimmy Barnes

The best things in life are free But you can give it to the birds and bees I want money, that's what I want That's what I want, Oh yeah that's what I want

Your love gives me such a thrill But your lovin' don't pay my bills I need money, that's what I want That's what I want, Oh yeah that's what I want

And money don't get everything that's true But what it don't get I can't use I need money, that's what I want That's what I want, Oh yeah that's what I want

I need money now I need money I want it babe All that money That's what I want Money that's what I want Money Money I want money now That's what I want, oh yeah that's what I want
