## Pain

## Jimmy Eat World

I don't feel the way I've ever felt I know I'm gonna smile and not get worried I try but it shows Anyone can make what I have built And better now Anyone can find the same white pills It takes my pain away It's a lie, a kiss with open eyes And she's not breathing back Anything but bother me It takes my pain away Never mind these are hurried times Oh oh, I can't let it bother me I never thought I'd walk away from you I did But it's a false sense of accomplishment Every time I quit Anyone can see my every flaw It isn't hard Anyone can say they're above this all It takes my pain away It's a lie, a kiss with open eyes And she's not breathing back Anything but bother me It takes my pain away Never mind these are hurried times Oh oh, I can't let it bother me I can't let it bother me It takes my pain away It's a lie, a kiss with open eyes And she's not breathing back Anything but bother me It takes my pain away Never mind these are hurried times Oh oh, I can't let it bother me It takes my pain It takes my pain It takes my pain It takes my pain away
