

# Can't Take My Eyes Off Of You

Jimmy Somerville

You're just too good to be true  
I can't take my eyes off of you  
You'd be like heaven to touch  
Boy, I wanna hold you so much

At long last love has arrived  
And I thank the stars, I'm alive  
Oh, you're just too good to be true  
Can't take my eyes off of you

Believe me, it's true, I declare  
Oh, there's nothing else to compare  
The thought of you leaves me weak  
There's no words left to speak

But if you feel like I feel  
Then let me know that it's real  
Oh, you're just too good to be true  
Can't take my eyes off of you

I love you baby and if it's quite all right  
I need you, baby to warm the lonely night  
I love you baby, trust in me when I say

Oh pretty baby, don't bring me down, I pray  
Oh pretty baby, now that I found you  
Stay and let me love you, baby, let me love you

You're just too good to be true  
Can't take my eyes off of you  
You'd be like heaven to touch  
Boy, I wanna hold you so much

At long last love has arrived  
And I thank the stars, I'm alive  
You're just too good to be true  
Can't take my eyes off of you

I love you baby and if it's quite all right  
I need you baby to warm the lonely night  
I love you baby, trust in me when I say

Oh pretty baby, don't bring me down, I pray  
Oh pretty baby, now that I found you  
Stay and let me love you, baby, let me love you

I love you baby and if it's quite all right  
I need you baby to warm the lonely night  
I love you baby, trust in me when I say
