

# Tell Me It's Real

Jodeci

Tell me it's real  
The feeling that I feel  
Tell me that it's real  
Don't let love come just to pass us by  
Try is all we have to do  
It's up to me and you  
To make this special love last forever more  
Baby, you told me that you loved me and you'd never leave my side  
Til the bitter end  
Through the thick and thin  
You promised me baby that you wasn't going anywhere, yes you did  
Baby keep it real  
Let me know just how you feel

Tell me it's real  
This feeling that I feel  
Tell me that it's real  
Don't let love come just to pass us by  
Try is all we have to do  
It's up to me and you  
To make this special love last forever more

I can't explain the way you make me feel  
Every time that you tell me that you love me  
And you know you did, so many times  
Just when I thought that love could never be a part of me  
That's when you came along and showed me happiness  
Baby you are the best  
I think you're different from the rest  
And I really love you

Tell me it's real  
This feeling that I feel  
Tell me that it's real  
Don't let love come just to pass us by  
Try is all we have to do  
It's up to me and you  
To make this special love last forever more

Tell me it's real  
This feeling that I feel  
Tell me it's real  
For your love  
I'll do anything

Tell me it's real  
This feeling that I feel  
Tell me that it's real  
Don't let love come just to pass us by  
Try is all we have to do  
It's up to me and you to make this special love last forever more

Do you really love me  
Do you really care  
You promised that you'd never leave my side  
You promised that you'd always be there

I'll be there for you baby  
If you'll be there for me sweetheart  
I thought that we were meant to be  
For eternity  
I thought you loved me baby  
And mama told me take it slow  
Boy you just don't know  
Anything about love  
If you and I were meant to be  
You would know  
It would show by the end of the song
