Mr. Christmas

Joe Diffie

Hey look, comin' down the way
Guess who got back in town today
I know he's got some goodies on his sleigh
Could it be, why yes, it's Mr. Christmas

Slidin' sideways, kickin' up snow Makin' a sound that goes ho ho ho A big jelly belly and a cherry for a nose Could it be, why yes, it's Mr. Christmas

Everywhere he goes, he's spreadin' Christmas cheer Everybody knows he'll be back again next year Mr. Christmas

A Barbie doll and a little toy gun Milk and cookies and he's on the run You've just gotta love him, that old son of a gun Was that him? Why yes, it was Mr. Christmas

Everywhere he goes, he's spreadin' Christmas cheer Everybody knows he'll be back again next year Mr. Christmas

Mr. Christmas
I said, Mr. Christmas
Mr. Christmas
