

# The Shade

Joe Nichols

I don't want a fast car  
don't need a four lane highway  
There's not another place I'd rather be  
'Cause out here in the country  
Bluebirds sing for nothing  
And the shade comes free with a tree  
Yeah the shade comes free with a tree

The tree came with a mountain  
Right beside the river where the ground makes one heck of a scene  
The mountain counts for something, the view is worth a fortune  
And the shade comes free with a tree  
I never had a dollar that could buy me what i'm feelin'  
But i'm feelin' 'bout as good as I can be  
I need to be reminded when i'm lookin' for a bargain  
Not to overlook what's right in front of me

I'll never make a killing trying to make a living  
But I make enough to raise a family  
I bought a piece of heaven off county road 11  
Where the shade comes free with a tree  
Yeah where the shade comes free with a tree

I never had a dollar that could buy me what i'm feeling  
And i'm feeling 'bout as good as i can be  
I need to be reminded when i'm lookin' for a bargain  
Not to overlook what's right in front of me

I don't want a fast car  
don't need a four lane highway  
There's not another place i'd rather be  
Down county road 11  
There's this little piece of heaven  
Where the shade comes free with a tree  
Yeah where the shade comes free with a tree

Yeah the shade comes free with a tree
