

# Can You Feel The Love Tonight

John Barrowman

There's a calm surrender  
To the rush of day  
When the heat of the rolling world  
Can be turned away

An enchanted moment  
And it sees me through  
It's enough for this restless warrior  
Just to be with you

And can you feel the love tonight  
It is where we are  
It's enough for this wide eyed wanderer  
That we got this far

And can you feel the love tonight  
How it's laid to rest  
It's enough to make kings and vagabonds  
Believe the very best

There's a time for everyone  
If they only learn  
Let the twisting kaleidoscope  
Moves us all in turn

There's a rhyme and a reason  
To the wild outdoors  
When the heart of this star crossed voyager  
Beats in time with yours

And can you feel the love tonight  
It is where we are  
It's enough for this wide eyed wanderer  
That we got this far

And can you feel the love tonight  
How it's laid to rest  
It's enough to make kings and vagabonds  
Believe the very best

It's enough to make kings and vagabonds  
Believe the very best
