This my 9 to 5, this ain't no hobby cat
Copycat killers bite styles, my rhyme piles is heavy
Give me a beat, man I'll body that
Spittin that heat street raps man they nod to that
What you smilin at? You R&B, man that's hardly rap
You lost the beat, man you bought a map
Matter fact, here's my next rap, borrow that
Been off the street too long, I want my corner back
You ain't a player, you a armchair quarterback
You ride the beat like side streets on a flat
Don't play dumb, I know where you came from
You only seen slugs buddy after the rain come

Keep it subtle, Trademarc got you bitch like babies suckin tits talkin 'bout mami let's cuddle It's gon' be what it's gon' be, you duck down A quiet cat with a violent rap, what now?

[Chorus]
