

# Rhubarb Pie

John Fogerty

Rhubarb Pie  
Rhubarb Pie  
It might rain tomorrow  
Better get some before I die

Rhubarb Pie  
Rhubarb Pie  
It might rain tomorrow  
Better get some before I die

Save your lemons  
Get 'em up in the tree  
Save your peaches  
They really don't get to me  
Talk about somethin' sure gonna  
make me shout  
Go on get some rhubarb pie  
That's what it's all about

Rhubarb Pie  
Rhubarb Pie  
It might rain tomorrow  
Better get some before I die

Hey little mamma come I walk with you  
Got a hole in my pocket  
Another one in my shoe  
Pies in the kitchen settin'  
out the window sill  
Talk about make my eyes bug out  
Lord they surely will

Rhubarb Pie  
Rhubarb Pie  
It might rain tomorrow  
Better get some before I die

Hey little mamma come I walk you home  
Ain't had no lovin'  
since my use-ta gal been gone  
Come on in my kitchen  
Lord I wish you would  
Roll my eyes and shut my mouth  
This rhubarb sure is good

Rhubarb Pie  
Rhubarb Pie  
It might rain tomorrow  
Better get some before I die
