

## Drifting Blues

John Lee Hooker

Well, I'm driftin' and driftin'  
Like a ship out on the sea  
Well, I'm driftin' and driftin'  
Like a ship out on the sea  
Well, I ain't got nobody  
In this world to care for me

I get all my money  
Tell me, what more can I do?  
I get all my money  
Tell me, what more can I do?  
She's a good lookin' girl  
Why don't she just won't be true?

Well, I'm down here by myself  
I'm down here by myself  
I ain't got nobody, baby  
In the world to care for me, yes baby, baby

Yeah my baby  
Would only take me back again  
Yeah my baby  
Would only take me back again  
Well, I ain't good for nothin'  
I don't have a friend  
Babe, honey
