

# Forgive Me

John Lee Hooker

They tell me God forgives you for almost anything you do  
Well, they tell me God forgives you for almost anything you do  
Well, if that's the case, that's the case  
I think I'm going to shoot that man, yeah, then fall down on my  
knees

Well, this morning, God knows that man he comes waltzing in  
Yeah, he comes just waltzing in, so I got my shotgun  
I broke down, I started to mow my baby down, yeah

Yeah, they tell me God forgives you for almost anything you do  
If that's the case, now, people, well, I'm gonna mow my baby do  
wn  
I'm gonna mow my baby down, I'm gonna shoot the man  
Well, I'm gonna shoot the man

You don't put yourself out, you don't put yourself out  
You don't treat your baby right  
No, no, no, no, you don't treat your baby right  
But darling, there come a time you're gonna need my love again,  
yeah

They tell me God forgives you for almost anything you do  
You don't seem to understand, I've got your life right in my ha  
nds  
Well, they tell me God forgives you for almost anything you do  
Yeah, anything you do
