

I Want To Hug You

John Lee Hooker

I want to hug you
and kiss you
and squeeze you
Till my arms fall
x2

And baby by that
You know
I love you so

Just come walk a little closer baby
Let me show you what I mean
x2

I want to hug you
and kiss you
and squeeze you
Till my arms fall off

You give so much trouble baby
You drive me out of my mind
x2

I want to hug you
and kiss you
and squeeze you
Till my arms fall off
x2

And baby by that
You know!
I love you so
